PROFESSIONAL SUMMARY

Motivated and detail-oriented AI/ML learner currently pursuing a B.E. in Electronics & Computer Science Engineering, with hands-on experience in operations management and a strong foundation in Python-based machine learning. Trained at Masai School (in collaboration with IIT Patna), working on 10 real-world AI projects using 12 industry tools. Proven ability to manage cross-functional tasks, generate data-driven insights, and build intelligent systems. Seeking AI/ML internship opportunities to apply technical skills in real-world environments.

TECHNICAL SKILLS

Programming	Python
Libraries	NumPy Pandas Matplotlib Seaborn SciPy
ML Concepts	Data Preprocessing Model Readiness Core ML Algorithms EDA
Web / Tools	HTML Git Jupyter Notebook MS Excel
Soft Skills	Team Leadership Communication Active Listening Cross-functional Collaboration

WORK EXPERIENCE

Operations Manager — Eyeconic by Dr. Lalla Feb 2025 – May 2025

- Led end-to-end operational workflows for an online MBBS mentorship and coaching platform serving hundreds of medical aspirants.
- Coordinated cross-functional teams (content, tech, and student success) to ensure seamless delivery of mentorship programs.
- Designed and implemented scalable operational SOPs, reducing process inefficiencies and improving team turnaround time by an estimated 25%.
- Monitored KPIs and Google Sheets dashboards across a team of 9 mentors and 250+ students, translating data insights into actionable strategies for management.
- Liaised between mentors, students, and leadership to resolve escalations and maintain a high-quality learning experience.
- Oversaw onboarding processes for new mentors and operational staff, maintaining quality and consistency standards.

Operations Assistant — Eyeconic by Dr. Lalla Oct 2024 – Jan 2025

- Managed and maintained operational databases tracking progress of 250+ students across 9 mentors, ensuring accurate and up-to-date records using Google Sheets.
- Generated weekly and monthly performance reports in Google Sheets for a cohort of 250 students, surfacing key KPIs and improvement areas to guide management decisions.
- Identified bottlenecks in student preparation journeys and recommended data-backed interventions to the senior team.
- Supported day-to-day operations including scheduling, communication coordination, and data entry tasks.
- Recognized for performance and promoted to Operations Manager within 4 months.

EDUCATION

B.E. – Electronics & Computer Science Engineering 2025 – Present (2nd Year) Shah & Anchor Kutchhi Engineering College, Mumbai

AI/ML Program (In collaboration with IIT Patna)

Masai School | CGPA: 8.5 | 2024 – Present

- Working on 10 real-world AI projects using 12 industry-standard tools under expert mentorship.
- Curriculum covers Python, ML algorithms, data preprocessing, model building, and deployment practices.

HSC (Class XII) – Science

2024 Mithibai College, Mumbai | Maharashtra State Board | 72%

SSC (Class X)

2022 C.B.M. High School | Maharashtra State Board | 91.6%

PROJECTS

Echoes of the Ancient | *HTML, Python, AI/ML*

- Developed an AI-powered web application that reconstructs the sound of ancient, decayed, or extinct musical instruments from a single uploaded photograph.
- The system analyzes visual data to infer timbre, pitch, playing technique, and cultural origin of instruments using historical datasets and ML models.
- Integrated computer vision and audio synthesis pipelines, enabling reconstruction of sounds silent for thousands of years.
- Built the front-end interface using HTML; implemented backend AI inference pipeline using Python.
- Presented as capstone undergraduate research in Electronics & Computer Science Engineering (First Year).

CERTIFICATIONS & ACHIEVEMENTS

- ☐ Rank 1 — International Olympiad of Science (iOS)
Issued by SilverZone Foundation | 2020
- ☐ Promoted from Operations Assistant to Operations Manager within 4 months at Eyeconic — recognition of performance and leadership.
- ☐ Currently maintaining a CGPA of 8.5 at Masai School's AI/ML Program (IIT Patna collaboration).
